

Boujem3a Food is one of the best Restaurant in the Magical Land of Makla, he was rated 4,99 stars and has been nominated for the prize of the most visited restaurant, the restaurant won awards in numerous dishes including Couscous, Tajine and Briwat m3amrin.

However, his rival UM6P Resto has been more than capable of putting up a fight, in fact, the latter managed to win also prizes in dishes like Pizza and Guillotine de poulet, needless to say, the Magical Land Of Makla continues to experience top tier food due to this rivalry and might surpass what people expect.

But within the deep caves of the Magical Land of Makla, laid dormant a new competitor. a beast that might portray itself as danger, since it did 99 years ago, where it used a forbidden spell to cook the best L7em with ber9o9 on Land, But it spread a disease that forced people to sleep for ages. The Legends says that the seal wont hold for so long, and might be at any moment, pulling back the Magic Land of Makla back into the abyss of darkness, the land has yet to experience the wrath of Hamid The Destroyer.
